

CONSTRUCTION NOTICE

Serving Californians Since 1929

Crescent Main Replacement

What	Replace existing main with new PVC pipe with replacement of any existing services in project area.
When	Construction will commence September 16, 2020 to mid-December 2020
Where	Replace of existing AC main with the installation of new main and services. Installation will be in Crescent Ave from west of Walker Ave. to Kington Way.
What to Expect	Construction crews with backhoes, dump trucks, crew trucks and hand tools will be digging along the new pipeline alignment. The services will generally be installed using an air compressor and pneumatic boring tool. The streets will remain open to traffic during the construction period but traffic and parking may be restricted and access to driveways may be limited for short durations of time. The construction crews will make every effort to keep dust to a minimum. Please expect an increased level of noise during the construction period. Weekly activities such as trash pick up will not be interrupted. Generally, as underground activities are completed the crews will progress to the next underground sections and come back near the end of the project to perform landscape and hardscape restoration.
Contacts	If you have any questions or concerns about the construction activities for this project, please call the Golden State Water Company's Construction Inspector, Mr. Jose Rivera at (714) 264-5018. Please visit our website at https://www.gswater.com/los-alamitos/infrastructure-projects/ for periodic updates on the construction progress.
