

# CONSTRUCTION NOTICE

Serving Californians Since 1929

## West OC Fire Hydrant Replacement Project

<b>What</b>	Replace fire hydrants (50 locations in Los Alamitos Area).
<b>When</b>	Construction will begin in May 2022 and be substantially complete by mid-December 2022.
<b>Where</b>	The contractor performing the hydrant replacement work will be using GSWC's plant site at 3271 Copa De Oro Drive to facilitate construction.
<b>What to Expect</b>	Construction crews with backhoes, dump trucks and crew trucks will be staging equipment and moving materials in and out of GSWC's property as needed for completing this project. The streets will remain open to traffic during the construction period. However, there may be temporary impacts to traffic and parking at times near this site. Please expect an increased level of noise during the construction period. Weekly activities such as trash pick up will not be interrupted.
<b>Contacts</b>	If you have any questions or concerns about the construction activities for this project, please call the Golden State Water Company's Construction Inspector, Mr. James Remus at (949) 981-5585.  Please visit our website at <a href="https://www.gswater.com/los-alamitos/infrastructure-projects/">https://www.gswater.com/los-alamitos/infrastructure-projects/</a> for additional information about capital projects in progress.

Golden State Water Company thanks you for your patience while we work to improve your water system.
