

CONSTRUCTION NOTICE

Rocking Horse & Notre Dame Water System Improvements

What	Installation of 4-inch pressure relief valves to improve water system
When	Construction will commence on March 30 th , 2020 with completion expected by late April, 2020. Anticipated working hours will be 8:30A.M. to 5:00 P.M.
Where	Installation of pressure relief valves will take place in E. Rocking Horse Way (south of Knights Bridge Rd) and Notre Dame Ave (at E. St. Germain Circle).
What to Expect	Construction crews with backhoes, dump trucks, crew trucks and hand tools will be digging along the new pipeline alignment. The streets will remain open to traffic during the construction period but traffic and parking may be restricted and access to driveways may be limited for short durations of time. The construction crews will make every effort to keep dust to a minimum. Please expect an increased level of noise during the construction period. Weekly activities such as trash pick up will not be interrupted. Generally, as underground activities are completed the crews will progress to the next underground sections and come back near the end of the project to perform landscape and hardscape restoration.
Contacts	If you have any questions or concerns about the construction activities for this project, please call the Golden State Water Company Customer Service Center at (800) 999-4033.
