

CONSTRUCTION NOTICE

Yorba Linda Fire Hydrant Replacement Project

What	Replace aging fire hydrants and valve enclosures. (8 locations on Fairlynn Blvd. and on Crestknoll Dr. 8 locations within Fairgreen Homes Area.)
When	Construction will commence March 15, 2020 and be substantially complete by mid-May 2021. Approximate work duration is 2-4 days at each location. Phase A: mid- through late-March / Phase B: late-March through late-April Site restoration: completed by mid-May
Where	Phase A (Sites No. 1 and 10-16): Fairlynn Blvd. (between Esperanza Rd. and Crestknoll) and on Crestknoll Dr. Phase B (Sites No. 2-9): Fairgreen Homes Area. Please refer to attached map.
What to Expect	Construction crews with backhoes, dump trucks, crew trucks and hand tools will be digging at the hydrant sites. Crews may also use an air compressor and pneumatic tools. The streets will remain open to traffic during the construction period but traffic and parking may be restricted and access to driveways may be limited for short durations of time. The construction crews will make every effort to keep dust to a minimum. Please expect an increased level of noise during the construction period. Weekly activities such as trash pick up will not be interrupted. Generally, as underground activities are completed the crews will progress to the next underground sections and come back near the end of the project to perform landscape and hardscape restoration.
Contacts	If you have any questions or concerns about the construction activities for this project, please call the Golden State Water Company's Construction Inspector, Mr. Jose Rivera at (714) 264-5018. If you reside at Fairgreen Homes, please contact your Community Manager, Ms. Jillian Marion at (714) 395-5245 or Jillian@StoneKastle.com . Please visit our website at www.gswater.com/placentia/infrastructure-projects/ for periodic updates on the construction progress.
