Serving Californians Since 1929

## Replacing Reservoir and Booster Pump Station at Golden Plant Site

<b>What</b>	Replace existing partially buried concrete reservoir and pump station with new 1.5MG above ground welded steel reservoir and new pump station.
<b>When</b>	Construction will begin in mid-April, 2020 to demolish existing concrete reservoir and pump station and replace with a new 1.5MG above ground welded steel reservoir and new pump station. Construction is anticipated to take approximately 16 to 18 months. Construction hours shall be 8:00AM to 5:00PM Monday through Friday.
<b>Where</b>	The Golden Plant site is located at 110 E. Golden Ave. in the Tri City Park and provides service to customers in the City of Placentia.
<b>What to Expect</b>	Construction crews with backhoes, dump trucks, crew trucks and hand tools will be digging throughout the plant site. The streets will remain open to traffic during the construction period. Traffic and parking may be restricted periodically for short durations of time to get large equipment and materials in and out of the site. The construction crews will make every effort to keep dust to a minimum. Please expect an increased level of noise during the construction period. Weekly activities such as trash pickup will not be interrupted.
<b>Contacts</b>	If you have any questions or concerns about the construction activities for this project, please call the Golden State Water Company Customer Service Center at (800) 999-4033.  Please visit our website at <a href="http://www.gswater.com/placentia/infrastructure-projects/">www.gswater.com/placentia/infrastructure-projects/</a> for periodic updates on the construction progress.
