

CONSTRUCTION NOTICE

Lautenschlager Tank 2 Recoat at Lautenschlager Plant

What	Recoat of Lautenschlager Plant Tank 2.
When	Construction will commence on <u>August 28, 2017</u> with completion estimated by the end of <u>November 22, 2017</u> . The GSWC working hours are from 7am-4pm.
Where	The <u>Lautenschlager Plant</u> site is located near Sandalwood Dr. and Cowboy St. in Simi Valley, CA.
What to Expect	Construction crews with crew trucks and other hand tools will be sandblasting and re-coating one of the existing tanks within the plant site. The streets will remain open to traffic during the construction period but traffic and parking may be restricted. The construction crews will make every effort to keep dust to a minimum. Please expect an increased level of noise during the construction period.
Contacts	If you have any questions or concerns about the construction activities for this project, please call the Golden State Water Company Customer Service Center at (800) 999-4033.
