

CONSTRUCTION NOTICE

Installation of a Pipeline within Derrick Lane

What	Install of approximately <u>300 feet of 8" pipeline</u> . The work will include connecting the new pipe to all the existing pipelines just outside of the intersections, a new fire hydrant and new service lines.
When	Construction on the new pipeline will commence on <u>11/5/18</u> with completion expected the end of <u>12/31/18</u> . The <u>County</u> working hours are from <u>7am-4pm</u> .
Where	The new pipeline will be installed in <u>Derrick Lane</u> from <u>Union</u> to <u>Clark</u> .
What to Expect	Construction crews with backhoes, dump trucks, crew trucks and hand tools will be digging along the new pipeline alignment. The services will generally be installed using an air compressor and pneumatic boring tool. The streets will remain open to traffic during the construction period (with the exception of a short period to allow for micro-slurry paving) but traffic and parking may be restricted and access to driveways may be limited for short durations of time. The construction crews will make every effort to keep dust to a minimum. Please expect an increased level of noise during the construction period. Weekly activities such as trash pick up will not be interrupted. Derrick Lane in its entirety will be micro-slurry paved at the end of the project.
Contacts	If you have any questions or concerns about the construction activities for this project, please call the Golden State Water Company Customer Service Center at (800) 999-4033.

Golden State Water Company thanks you for your patience while we work to improve your water system.
