## Pipeline Installation Project

|                       |  |
|-----------------------|--|
| <b>What</b>           | Our contractor, Flowline Contractors, Inc. will be installing a new water pipeline on Watt Avenue and at the intersections of the following streets: Barrington Rd, Hyde Way, Hurley Way, Ardenridge Dr, Humboldt Way, Windsor Dr, Wemberley Dr, Mayfair Dr, Tembrook Dr, Wellington Dr, and Northrop Ave. New fire hydrants will also be installed as part of this project.   |
| <b>When</b>           | Some areas of pipeline installation will be completed during the day, while some areas will be completed during a night shift. Day shift is planned to operate Monday – Friday 8:00 AM – 3:30 PM, while night shift is planned to work Monday night – Thursday night 9:00 PM – 5:00 AM. Hours are subject to change based on weather and/or field conditions. Work is scheduled to begin on Tuesday, 09/05/23.   |
| <b>Where</b>          | The work will take place Southbound on Watt Avenue from Barrington Rd to Northrop Ave, and 500’ into the streets of the intersections listed above.  |
| <b>What to Expect</b> | Construction crews with excavators, backhoes, dump trucks, crew trucks and other equipment will be installing new water pipelines on the streets named above. Traffic will be restricted at times with flagmen and no parking will be allowed in specified work zones. Additionally, parking in some work zones may be restricted outside of normal working hours. Please expect an increased level of noise and traffic during the construction period. |
| <b>Contacts</b>       | If you have any questions or concerns about the construction activities for this project, please call the Golden State Water Company Customer Service Center at (800) 999-4033.  |
