

# CONSTRUCTION NOTICE

Serving Californians Since 1929

## Murray Lane Main Install

<b>What</b>	Installation of 8-inch PVC pipe in Murray Lane, La Cuesta Dr, Reservoir Rd (East) and Skyline Dr., replacing existing main, fire hydrants, and services.
<b>When</b>	Construction will commence on Monday, October 17th and completion expected of the entire project by end of July 2023. Anticipated working hours will be 8:00A.M. to 5:00 P.M.
<b>Where</b>	Installation of 8-inch PVC pipe Murray Ln. from Skyline Dr to La Cuesta Rd.; La Cuesta Rd from Murray Ln. to Dannen Dr.; Reservoir Rd (East) from Hunting Horn Dr to Skyline Dr; Work will also be done on Skyline Dr East of Murray Ln to make connections to existing water mains.
<b>What to Expect</b>	Construction crews with backhoes, dump trucks, crew trucks and hand tools will be digging along the new pipeline alignment. The services will generally be installed using an air compressor and pneumatic boring tool. The streets will remain open to traffic during the construction period but traffic and parking may be restricted and access to driveways may be limited for short durations of time. The construction crews will make every effort to keep dust to a minimum. Please expect an increased level of noise during the construction period. Weekly activities such as trash pick up will not be interrupted. Generally, as underground activities are completed the crews will progress to the next underground sections and come back near the end of the project to perform landscape and hardscape restoration.
<b>Contacts</b>	If you have any questions or concerns about the construction activities for this project, please call the Golden State Water Company's Construction Inspector, Mr. Jose Rivera at (714) 264-5018.  Please visit our website at <a href="http://www.gswater.com/placentia/infrastructure-projects/">www.gswater.com/placentia/infrastructure-projects/</a> for periodic updates on the construction progress.
