How to get your high efficiency toilet (HET) rebate.

1. You must first call *Golden State Water Company Water* @ 1-800-999-4033 to see if rebates are available.
2. To obtain a rebate, customers must agree to a site inspection of the installation. This service is at no direct cost to the customer.
3. Purchase and install the new toilet(s). You must be replacing a toilet using 3.5 gallons per flush or greater to be eligible. **Residential customers can qualify for up to 2 HET rebates per home.**
4. You may install the toilet(s) yourself or you may also hire a licensed contractor.
5. Return the original dated receipt and/or plumber's invoice with the price, model and brand of each toilet listed individually, and the completed application. Keep a copy for your records.
6. Submitting a signed application represents agreement to have *Golden State Water Company* verify installation of the toilet, with your accompaniment. *Golden State Water Company* will schedule an inspection as the need arises.
7. Rebates are up to **\$70.00** for an **HET** (High Efficiency Toilet). Call *Golden State Water Company* to verify the amount you are eligible for. Total rebate amount will not exceed money spent.
Eligible expenses include 1.28 gallon per flush tank (or less), bowl, seat, supply line, wax ring, caulking, bolts, bolt covers, and tax.
8. *Golden State Water Company* will issue rebate checks within eight to ten weeks of receipt of your completed application materials.

Qualifications

1. Purchase of material must occur within the program period of **January 1, 2010 to December 31, 2010**. The number of rebates is dependent upon the availability of program funds. Call *Golden State Water Company* to see if funds are available.
2. The installation location must be served by Golden State Water Company's Ojai service area.
3. **Only residential customers are eligible.**
4. Replacement of a ULFT with an HET is not eligible for rebate under this program.
5. New construction is not eligible for rebate under this program.

Permitting

Building permits are not required when a residential customer simply removes and installs a toilet on existing plumbing. A permit is required when a plumbing fixture will be relocated.

Disclaimer

Golden State Water Company, reserves the right to deny an application of any participant who does not meet all requirements as outlined. *Golden State Water Company* reserves the right to change the terms of this program at its discretion and in accord with applicable law. *Golden State Water Company* is not responsible for receipts or paperwork lost in the U.S. mail.

Golden State Water Company cannot guarantee that the installation of the HET (s) will result in lower water utility costs. The number of rebates is dependent upon the availability of program funds. Applications will be processed, when all required information is provided by the applicant, on a first-come, first-served basis.
