

CONSTRUCTION NOTICE

Serving Californians Since 1929

Parkewood Transmission Water Main Project

What	Installation of a 12-inch PVC water main transmission pipeline, air vacs, blow-offs along Lampson Ave and Blackmer St.
When	Construction will commence Mid-November 2023 and completion is expected of the entire project by end of July 2024. Anticipated working hours will be 8:00 AM to 5:00 PM.
Where	Installation of 12-inch PVC main will be along Blackmer St from Apia Dr to Lampson Ave, and along Lampson Ave from Blackmer St to Tulip St.
What to Expect	Construction crews with backhoes, dump trucks, crew trucks and hand tools will be digging along the new pipeline alignment. The streets will remain open to traffic during the construction period but traffic and parking may be restricted using traffic control and access to driveways may be limited for short durations of time. The construction crews will make every effort to keep dust to a minimum. Please expect an increased level of noise during the construction period. Weekly activities such as trash pick-up will not be interrupted. Generally, as underground activities are completed the crews will progress to the next underground sections and come back near the end of the project to perform landscape and hardscape restoration.
Contacts	<p>If you have any questions or concerns about the construction activities for this project, please call the Golden State Water Company's Construction Inspector, Mr. Jose Rivera at (714) 264-5018.</p> <p>Please visit our website at https://www.gswater.com/los-alamitos/infrastructure-projects/ for periodic updates on the construction progress.</p>
