

CONSTRUCTION NOTICE

Serving Californians Since 1929

Pawnee Well Decommission Project

What	Continuation of well abandonment at Golden State Water Company's Pawnee Plant.
When	Remaining well abandonment work will commence on June 22, 2023, with completion expected by beginning of July 2023. The Lucerne Valley Project working hours are from 8:00 am to 5:00 pm.
Where	The Pawnee Plant is located at 31371 Pawnee Street, Lucerne Valley, CA 92356.
What to Expect	Construction crews with backhoes, dump trucks, crew trucks will be moving on and off plant site. Contractor will be decommissioning the well by sealing the well with cement and utilizing shot perforations. During the phases of construction, you will hear general construction noise and heavy equipment operating during normal business hours. When the shot perforations are utilized a small pop may be heard. During the final decommissioning phase there will be some jackhammer and backhoe work, this will be when the most noise will be made. Finally, contractor will load up all materials and the well decommissioning will be complete. The streets will remain open to traffic during the construction period. The construction crews will make every effort to keep dust to a minimum. Please expect an increased level of noise during the construction period. Weekly activities such as trash pickup will not be interrupted.
Contacts	If you have any questions or concerns about the construction activities for this project, please call the Golden State Water Company Customer Service Center at (800) 999-4033.
