

# CONSTRUCTION NOTICE

Serving Californians Since 1929

## Angelina Dr. Water System Improvements

<b>What</b>	Installation of 6-inch pressure reducing valves and demolition and removal of existing pressure reducing valves to improve water system
<b>When</b>	Construction will commence on July 6 <sup>th</sup> , 2020 with completion expected by mid-September, 2020. Anticipated working hours will be 8:00A.M. to 5:00 P.M.
<b>Where</b>	Installation of pressure reducing valve and demo and removal of existing pressure reducing valves will take place in S. Angelina Dr., between Chapman Ave. and Backs Ln.
<b>What to Expect</b>	Construction crews with backhoes, dump trucks, crew trucks and hand tools will be digging along the new pipeline alignment. The streets will remain open to traffic during the construction period but traffic and parking may be restricted and access to driveways may be limited for short durations of time. The construction crews will make every effort to keep dust to a minimum. Please expect an increased level of noise during the construction period. Weekly activities such as trash pick up will not be interrupted. Generally, as underground activities are completed the crews will progress to the next underground sections and come back near the end of the project to perform landscape and hardscape restoration.
<b>Contacts</b>	If you have any questions or concerns about the construction activities for this project, please call the Golden State Water Company Customer Service Center at (800) 999-4033.  Please visit our website at <a href="http://www.gswater.com/placentia/infrastructure-projects/">www.gswater.com/placentia/infrastructure-projects/</a> for periodic updates on the construction progress.
