

CONSTRUCTION NOTICE

Serving Californians Since 1929

Old Foothill Blvd. Transmission Main Install

What	Installation of 16-inch ductile iron pipe in Old Foothill Blvd., replacing existing main.
When	Construction will commence in Mid-September 2020 with completion expected by end of December 2020. Anticipated working hours will be 9:00A.M. to 3:00 P.M.
Where	Installation of 16-inch ductile iron pipe in Old Foothill Blvd, from Fairhaven Ave. to Foothill Blvd. (see attached map)
What to Expect	Construction crews with backhoes, dump trucks, crew trucks and hand tools will be digging along the new pipeline alignment. The streets will remain open to traffic during the construction period but traffic and parking may be restricted and access to driveways may be limited for short durations of time. The construction crews will make every effort to keep dust to a minimum. Please expect an increased level of noise during the construction period. Weekly activities such as trash pick up will not be interrupted. Generally, as underground activities are completed the crews will progress to the next underground sections and come back near the end of the project to perform landscape and hardscape restoration.
Contacts	If you have any questions or concerns about the construction activities for this project, please call the Golden State Water Company's Capital Program Engineer, Mr. Long Thai at (714) 296-4319. Please visit our website at www.gswater.com/placentia/infrastructure-projects/ for periodic updates on the construction progress.

Golden State Water Company thanks you for your patience while we work to improve your water system.

At Golden State Water Company, it has been all about water for more than 90 years. Our team of professionals delivers reliable, quality water and great service to customers in 75 communities across California.
