

## Blair Plant Improvement Project

<b>What</b>	Two (2) surge tanks will be installed at Golden State Water Company's Blair Plant.
<b>When</b>	Construction will commence on November 14 2022 with completion expected by End-March 2023. The project is within Golden State Water Company Property. The working hours are from 7:00 am to 5:00 pm.
<b>Where</b>	Golden Stater Water Company's Blair Plant is located near the South West Corner of Blair Road and Hooper Road).
<b>What to Expect</b>	Construction crews with backhoes, dump trucks, crew trucks and hand tools will be working at Golden State Water Company's Blair Plant. The streets will remain open to traffic during the construction period but traffic and parking may be restricted for short durations of time. The construction crews will make every effort to keep dust to a minimum. Please expect an increased level of noise during the construction period. Weekly activities such as trash pick-up will not be interrupted.
<b>Contacts</b>	If you have any questions or concerns about the construction activities for this project, please call the Golden State Water Company Customer Service Center at (800) 999-4033.

Golden State Water Company thanks you for your patience while we work to improve your water system.
