

## More than \$12.5 Million scheduled to be invested in Claremont

Golden State Water is committed to responsibly maintaining the local water infrastructure to ensure we can continue providing customers with premium water service. These investments protect the safety and reliability of the local water system.

### Benefit to Customers

Below are two of the major projects planned for the Claremont Customer Service Area in 2022. For additional project details, please visit [www.GSWater.com/Claremont](http://www.GSWater.com/Claremont).

#### Project Name: Mountain View Equip New Well No. 5

**Construction Summary** Construction crews will work to install vertical turbine pump and concrete base, aboveground and underground piping, chemical building, electrical and SCADA works, site grading, site drainage, new chain link fence, and retention pond.

**Project Rational** This project is required to ensure the continued reliability and quality of service to local customers by equipping a new well and increasing the water supply in the area.

**Working Hours** Monday through Friday | 7 a.m. – 4 p.m.

**Anticipated Project Timeline** February 2022 through October 2022

#### Project Name: Meredith St. Area Main Replacements

**Construction Summary** Construction crews will work to install approximately 3,500 LF of 12-inch PVC pipe to replace the existing old 6-inch, 8-inch, and 12-inch pipes, including a 138-foot section of the 12-inch PVC pipe crossing the 210 State Hwy Bridge (CalTrans) with a trench on Mills Ave.

**Project Rational** This project is required to ensure the continued reliability and quality of service to local customers by abandoning existing old pipelines that are reaching the end of their useful life.

**Working Hours** Monday through Friday | 7 a.m. – 5 p.m.

**Anticipated Project Timeline** March 2022 through September 2022

Companywide, an investment of more than \$18 million to replace old meters, services, safety equipment, etc. will be made throughout GSWC service areas. This investment is critical to protect the quality and reliability of water service.

Golden State Water also remains focused on investing to modernize the customer service experience with improved online and account management resources.
