

## More than \$1.4 Million scheduled to be invested in Wrightwood

Golden State Water is committed to responsibly maintaining the local water infrastructure to ensure we can continue providing customers with premium water service. These investments protect the safety and reliability of the local water system.

### Benefit to Customers

Below are two of the major projects planned for the Wrightwood Customer Service Area in 2022. For additional project details, please visit [www.GSWater.com/Wrightwood](http://www.GSWater.com/Wrightwood).

#### Project Name: Government Canyon Improvements

<b>Construction Summary</b>	Construction crews will work to construct a new chemical and well building, and install new instrumentation, electrical and SCADA works to replace existing facilities.
<b>Project Rational</b>	This project is required to ensure the continued reliability and quality of service to local customers by replacing a chemical building and electrical facility that has reached the end of its useful life.
<b>Working Hours</b>	Monday through Friday   8 a.m. – 5 p.m.
<b>Anticipated Project Timeline</b>	May 2022 through December 2022

#### Project Name: Wrightwood Fire Hardening

<b>Construction Summary</b>	Construction crews will work to install a total of approximately 1140 feet of concrete wall to replace the existing chain link fence, including concrete fence post and foundation.
<b>Project Rational</b>	This project is required to ensure the continued reliability and quality of service to local customers by replacing the existing chain link fence with 8' high masonry wall to fire harden the site.
<b>Working Hours</b>	Monday through Friday   8 a.m. – 4 p.m.
<b>Anticipated Project Timeline</b>	April 2022 through September 2022

Companywide, an investment of more than \$18 million to replace old meters, services, safety equipment, etc. will be made throughout GSWC service areas. This investment is critical to protect the quality and reliability of water service.

Golden State Water also remains focused on investing to modernize the customer service experience with improved online and account management resources.
