

## More than \$7.6 Million scheduled to be invested in Central Basin East

Golden State Water is committed to responsibly maintaining the local water infrastructure to ensure we can continue providing customers with premium water service. These investments protect the safety and reliability of the local water system.

### Benefit to Customers

Below are two of the major projects planned for the Central Basin East Customer Service Area in 2022. For additional project details, please visit [www.GSWater.com/Central-Basin-East](http://www.GSWater.com/Central-Basin-East).

#### Project Name: Volunteer Avenue AMR

**Construction Summary** Construction crews will work to install approximately 13,600 L.F of 8-inch PVC pipe to replace the existing old 4-inch and 6-inch pipes, as well as 29 new fire hydrants, and 356 domestic services.

**Project Rational** This project is required to ensure providing continued reliability and quality of service to local customers by abandoning existing old pipelines that are reaching the end of their useful life.

**Working Hours** Monday through Friday | 8 a.m. – 4 p.m.

**Anticipated Project Timeline** March 2022 through February 2023

**Project Location** City of Norwalk's Public Right of Way

#### Project Name: Elaine Avenue AMR

**Construction Summary** Construction crews will work to install approximately 5,100LF of 8-inch PVC pipe to replace the existing old 4-inch and 6-inch pipes, as well as 12 new fire hydrants, and 122 domestic services.

**Project Rational** This project is required to ensure providing continued reliability and quality of service to local customers by abandoning existing old pipelines that are reaching the end of their useful life.

**Working Hours** Monday through Friday | 8 a.m. – 4 p.m.

**Anticipated Project Timeline** June 2022 through December 2022

**Project location** City of Artesia's Public Right of Way

Companywide, an investment of more than \$18 million to replace old meters, services, safety equipment, etc. will be made throughout GSWC service areas. This investment is critical to protect the quality and reliability of water service.

Golden State Water also remains focused on investing to modernize the customer service experience with improved online and account management resources.
