

# CONSTRUCTION NOTICE

## Lewis Ln Well 2 Demo at Lewis Lane Plant Site.

<b>What</b>	GSWC will be undertaking well destruction at the Lewis Lane Plant site. Work may include controlled water discharge from the plant site area drainage pit
<b>When</b>	Work will commence on or after <u>April 29, 2024</u> with completion estimated by <u>May 31, 2024</u> . The working hours are from <u>7am to 5pm</u> .
<b>Where</b>	The <u>Well</u> is located at 7035 Lewis Ln, San Luis Obispo, California.
<b>What to Expect</b>	Well crew with trucks, crane, water well rig, hoses, large tank(s), electric generator, pump equipment, concrete trucks, and other hand tools will be inside of the Lewis Lane Plant. A rig will be on the well for approximately 15 days to clean the well, which may lead to monitored water discharge to the earthen swell behind the plant site. The streets will remain open to traffic during testing. The construction crews will make every effort to keep dust and noise to a minimum. Please expect an increased level of noise during the construction period in this area.
<b>Contacts</b>	If you have any questions or concerns about the construction activities for this project, please call the Golden State Water Company Customer Service Center at (800) 999-4033.
